Population doubles - 2000 attend Ride

The population of Minden more than doubled over the weekend as nearly 2000 motorcyclists gathered at the Minden fairgrounds after completing the Southern Ontario Ride for Sight.

Participants representing over 30 clubs and associations from throughout southern and northeastern Ontario took part in the Ride to raise funds for the Retinitis Pigmentosa Foundation.

The fund raising event was among the 12 Rides that were organized in all provinces across Canada. According to one of the directors of the foundation, donations brought in by those participating in the Minden Ride totalled over \$135,000.

riders and passengers proceeded to the fairgrounds.

Although many participants have reserved accommodation at area resorts, a large number chose to camp overnight in the field adjacent to the ball diamond. As they set up camp during the afternoon an instant multicoloured tent city was created.

During the afternoon field events and a trade show were held on the upper level of the fairground near the curling club. Riders were able to test their skills in the egg and spoon race, go slow race (the contestant who took the longest time to complete a twisting course without putting down his or her feet won the event) and the wiener bite which

More Ride for Sight
pictures on page 5

Participants began arriving in Minden early Saturday morning from areas as far distant as Sault Ste. Marie. Riding an assortment of motorcycles, some pulling trailers, others attached to sidecars, the leather clad riders drove along the main street to the registration area at the Agnes Jamieson Gallery.

850 drivers and passengers, the largest single group of the day, arrived in Minden at 1 p.m. after travelling under police escort from Pickering. According to one motorcyclist from the Toronto area, the group formed a convoy several miles in length as they drove north.

Following registration the

amused a large group of spectators throughout the afternoon. In this contest riders or passengers were required to take a bite out of a mustard covered wiener suspended overhead from a string without stopping their bike. Many ended up with mustard smeared on their faces while the wiener remained intact. The contestant who took the largest bite won the event.

In the "Shine and Show" event the motorcyclists competed for prizes in several categories including touring, custom, dresser, chopper, trike and best overall. Among the glittering array of machines

(more on page 2)

Heading for home on a motorcycle built for three, Ray and Janice Ward of Keene leave the Minden arena Sunday morning. Their poodle, Hobo, is a regular traveller with the Wards and enjoys the trip from his special side compartment. The couple were in Minden during the weekend for the annual Ride for Sight. For more pictures, see page 5.

Deficit threatens orthopaedic services at Lindsay hospital

An expected deficit in operating funds at Ross Memorial Hospital in Lindsay threatens the closure of the hospital's orthopaedic unit this summer.

The orthopaedic surgeon at the hospital has been treating patients from Haliburton, Victoria and Durham counties for fractures, torn ligaments, and cartilages and degenerative arth-

ritic diseases since joining the hospital staff four years ago. When a local resident informed this newspaper that orthopaedic unit at the hospital would be closed in July, The Times contacted hospital administrator Eric Freeborn.

In a telephone conversation on Monday, Freeborn said the hospital, "has not implemented any changes yet," but added that

because of the expected deficiency in Ministry of Health funds, the Board of Directors, "is considering a reduction of services. The Board is anxious to retain the range of services we have now," Freeborn said, but because of the expected deficit, "elective orthopaedic surgery is one service we have to consider reducing."

He emphasised that there will be no reduction in emergency services to patients requiring orthopaedic care. "If a patient is brought in by ambulance we will be able to stabilize them then transfer them to another hospital," he said.

Freeborn said the hospital is facing an operating deficit of \$750,000 for the 1985-86 fiscal year which began in April. He said the Board is considering using \$300,000 from the capital reserve fund for operating costs but notes that this will still leave the hospital with a \$450,000 deficit. "This outlay of capital funds will reduce our total working capital by 18%. If we have to continue

doing this we will be broke within five years," he said.

Freeborn explained that the capital fund is usually reserved for improvements to hospital facilities or the purchase of new equipment, "because it is very important to keep up with technological changes in the medical field."

The Board is hopeful that sufficient funds will be forthcoming so that services will not have to be cut back. Freeborn said, noting, "We are doing the best we can to get proper funding."

According to Freeborn, the Ministry of Health is unable to commit funds to hospitals in the province because of the state of limbo that exists at Queen's Park.

"Because of the change in government, the civil service is not being given any direction on funding," Freeborn said, adding, "We don't know anything definite from the Ministry, yet, but we expect an answer by the middle of July."

(more on page 3)

Scott defends pension changes

The most controversial aspect of the federal budget recently unveiled by Finance Minister Michael Wilson has been the partial de-indexing of the old age pension.

While there was little criticism in the days following the budget speech, it proved to be the calm before the storm.

Opposition parties have mounted a sustained attack on the federal Conservatives and have been joined by

citizens groups and seniors organizations across the country.

Many seniors who are living below the poverty line are frightened and angered by the change in government policy arguing that the Conservatives had publicly stated during the federal election campaign that the old age pension was "a sacred trust" and would not be tampered with.

A high percentage of the population in Haliburton

County will be affected by the change in government policy. Approximately 20% or double the national average of citizens, in the county qualify for the pension. With this in mind, The Times interviewed Victoria-Haliburton M.P. Bill Scott during his visit to Minden on Saturday.

Scott pointed out that the proposed partial de-indexation will not come into effect until January 1, 1986. He explained that

under the proposed revision to the Canada Pension Plan, the basic old age pension will remain unchanged next year unless the cost of living increases above 3% in which case the pension will be increased.

Scott emphasised that the pension supplement which is based on total income will not be affected by the partial de-indexation.

He said that in conver-

(more on page 2)

Ride raises \$135,000

(from page 1)

ving for prizes were entries valued at more than \$20,000.

In a more serious vein, participants were able to test their driving skills in the "Swallow your Pride" session which was based on the Canada Safety Council Training Program beginners course. An instructor from Sheridan College judged the driver's ability to negotiate the course marked out on the pavement including emergency braking, acceleration and deceleration manoeuvres.

Those who passed the demanding test were awarded a button inscribed with the statement, "I swallowed my pride and won the challenge."

Trade show popular

The trade show proved to be the most popular display. Throughout the afternoon there were long lineups at the various manufacturer's tents awaiting an opportunity to test drive the motorcycles ranging from scooters to massive highway touring machines.

The large crowds of motorcyclists who took part

in the events or visited the displays were comprised of an interesting blend of people from all walks of life. Long-haired, tattooed bikers clad in black leather and blue jeans mingled with clean-cut young couples, families and senior citizens.

Many wore vests or caps bearing an array of pins and badges, souvenirs of past tours, while others sported the gold crests of the International Christian Bikers Association (ICBA.)

Some of the older riders, limped slightly, evidence of long forgotten accidents on motorcycles that were popular 50 years ago; Ariels, Indians, Triumphs, Harley-Davidsons, Vincents, Nortons and Hendersons, most of which are no longer manufactured.

The afternoon activities completed, the participants enjoyed a hearty beef barbeque supper at the arena served by the St. Paul's Anglican Church Women's group.

At 8 p.m. the awards ceremony began with the announcement that a member of the ICBA would

be collecting funds for the Central Ontario Disaster Relief Fund to aid victims of the tornado that left a path of destruction in Barrie on May 31. Later, during the ceremony, it was announced that \$517 had been raised which, when matched by government funds, would provide a donation of \$2068 to the relief fund.

Then came the news that everyone had been waiting for. Grant Duff, a member of the board of directors of the Retinitis Pigmentosa Foundation announced that the pledges had been counted and that \$125,000 had been raised and a further \$10,000 was

expected. Amid the cheers of the crowd, the director said that the amount was one third more than the funds raised last year.

Duff said that the National Ride for Sight raises more private funds and sponsors more research than any other organization in Canada. He paid tribute to the organizers of the events, Karen Henry, Past President of the Canadian Gold Wing Owners' Association (Gold Wing being a model of motorcycle manufactured by Honda), Art Rea, Eastern Canada

Director of the Venture Touring Society and Dave Conrad, President of the Red Knights motorcycle club whose members are all firemen, who worked for the past six months to make the Ride a reality. John Rood, president of the Canadian Gold Wing Owners' Association, praised the many clubs and associations that took part in the fund raising drive and commended local organizers for "one of the best set ups we have ever had for the Ride."

Among the many individuals and organizations that assisted with the fund raising event, the Haliburton Highlands Chamber of Commerce was singled out for special attention. The newly appointed Chamber manager Shirley Rapson, accepted a plaque from "motorcyclists of Ontario" for the Chamber's assistance during the planning phase.

Following the presentation of awards, the evening was capped off with a dance in the arena and a huge bonfire near the temporary campground.

Sunday morning following a pancake breakfast served by the Minden Figure Skating Club, the riders packed their gear, mounted up and departed for home.

Mixed reactions to pension changes

(from page 1)

sations with constituents throughout the riding, he has noticed mixed reactions. "I have heard comments that are both pro and con" he said, adding that opinion is divided equally on the change.

The change was made necessary, Scott said, because, "It is costing us a lot to service the debt of the country, about 25 billion dollars a year. We are trying to get these costs down and

people understand this."

He added, "People have told me that we must curtail the costs of government. It will be tough for everybody. I have a basic concern about those who will be affected. It may hurt some people more than others but I hope they will not be affected too much."

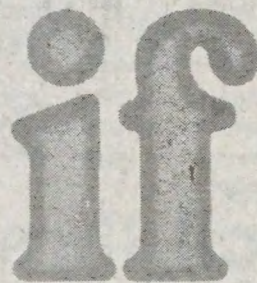

Scott said that in order to reduce the national debt, "It will require a combined effort on everyone's part. We must get the affairs of government in order."

May weather

by Phil Graham

May was a quite pleasant month and averaged 2.8 degrees C warmer than last May. Rainfall was about the same for each month and average. No severe storms until May 31, when the northern edge of the storms producing the damaging tornadoes passed through this area. During the night of May 31 a large quantity of mud and dirt fell with this rain, the origin of this at present is unknown - I'll try and find out.

you don't smoke

Why pay for the fires of those who do?

Careless smoking is a major cause of fires in the home. At Maplex General, non-smokers enjoy competitive rates that reflect the improved risk they represent.

Non-smokers also enjoy comprehensive and up-to-date coverages. There are three homeowner plans from which to choose as well as plans for tenants or condominium owners. And, there's a full range of optional coverages available.

Good value in both coverages and price are good reasons why non-smokers should choose Maplex General Insurance.

Motorcycles in 3 accidents

With the influx of over 1200 motorcycles into the county during the weekend, the police report three accidents, all involving the two-wheeled vehicles.

The first mishap occurred Saturday at 1:30 p.m. on Highway 35 north of Minden. The driver of a Harley Davidson motor-

cycle was forced to stop quickly and lost control of his vehicle, sliding on to the shoulder and flipping over.

The driver, 31 year old Robert Lyon of Pickering and his passenger Deborah Lyn, received minor injuries in the incident.

The motorcycle sustained \$1500 damage.

The accident was investigated by Constable Bob Pearson.

The second incident occurred early Sunday morning three kilometres south of Minden on Highway 35. David Croney, 44, of Barrie received minor

(more on page 6)

Hospital services threatened

(from page 1)

Monday afternoon The Times spoke to Doctor Trevor Yardley, the hospital's resident orthopaedic surgeon.

During the telephone conversation Yardley said the cutback in orthopaedic services, "is not a proposal. It has been passed through the board. They let me know last week. They gave me three weeks notice that the orthopaedic service will end on July 1."

The closure, "is not going to save any money," Yardley said, adding, "There is not going to be any less expense to the system to have this cutback. Instead of being treated locally they (my patients) will be done in Oshawa or Peterborough or Toronto, probably Toronto because Peterborough is already full, and all that is going to do is increase their waiting lists," because of their limited facilities.

Describing orthopaedics as a basic, necessary service in this region, Yardley noted, "We have a need for at least one, if not two orthopaedic surgeons here." He explained that the College of Physicians and Surgeons in Ottawa has established, "To keep an orthopaedic surgeon busy he has to have 35,000 people to draw on. In the winter we have been providing a service to approximately 50,000 people. In the summer it is double that." He added, "We cover Haliburton and Victoria counties and a good portion of Durham county. To say that we don't need an orthopaedic surgeon here is just ignoring the facts."

Yardley said Ross Memorial Hospital is presently able to offer excellent orthopaedic care to patients.

"We have built up the operating room over the past several years with the proper personnel and the purchase of new equipment. We have been getting some good results. But we need the funding."

He commented, "Orthopaedics is an expensive field of medicine because of the O.R. (operating room) time involved but it is not an exotic service. Torn ligaments and torn tendons require orthopaedics," he said, adding, the hospital has also treated elderly patients suffering from degenerative arthritic disease by implanting hip and knee joints.

"We serve a large community of seniors in this area and up in Haliburton county. The seniors will suffer because of these cutbacks. They are the ones who have the arthritic diseases and who tend to break bones."

Yardley argued that if the hospital faces a shortage of funds there should be a reduction of all medical

services rather than simply eliminating orthopaedics.

"Seventy five per cent of the hospitals in this province are low on funds but most of them are not taking drastic action like this," Yardley said. "The government needs to realize that we need funding for an orthopaedic service in this hospital."

He suggested that residents of the area who are concerned about the cutback should write to their provincial member of parliament and the Ministry of Health.

He noted that there will be a board meeting, open to the public, on June 25 at the Kent Street Armouries in Lindsay. "We have got to turn this board decision around and also get more funding," he said.

The decision to introduce the cutbacks, "...is a real retrograde step. It is going to take this hospital back about 20 years," he said, adding, "The need is here. If the service is cut, the population (of this area) is going to pay for it."

A hardship

If the Board of Directors of Ross Memorial Hospital in Lindsay decides to cut back on the orthopaedic services that are offered at the hospital, residents of Haliburton County, particularly those in the northern regions, will suffer the greatest hardship.

Patients who have undergone treatment at the hospital have come to depend on the skill, experience and compassionate care of the resident orthopaedic surgeon, the nursing staff and the physiotherapists. During the past four years the hospital, under the aggressive leadership of Doctor Trevor Yardley, has established an orthopaedic service that is respected by members of the medical profession and the public. If the predicted cutbacks take effect, patients in Haliburton County will probably be required to travel to Toronto for orthopaedic surgery and post operative care.

At present, accident victims suffering from painful fractures can be transported by ambulance from Minden to Lindsay in less than an hour. Extending the ambulance ride to Toronto will only prolong the agony. Patients requiring elective surgery to repair damaged tendons or ligaments and elderly patients who must undergo replacements of hip or knee joints affected by arthritis will be added to the lengthy waiting lists of large urban hospitals.

Children and adults alike who must remain in hospital for prolonged periods, far from home, will not be able to look forward to the frequent visits from family members and friends as is the case at present.

The Ross Memorial Hospital needs more provincial funding.

The Liberal and NDP parties, who will form the next provincial government, have described themselves as being more compassionate than the Conservatives. They can prove that claim by ensuring the orthopaedic unit at the hospital remains alive and well.

Well done Minden

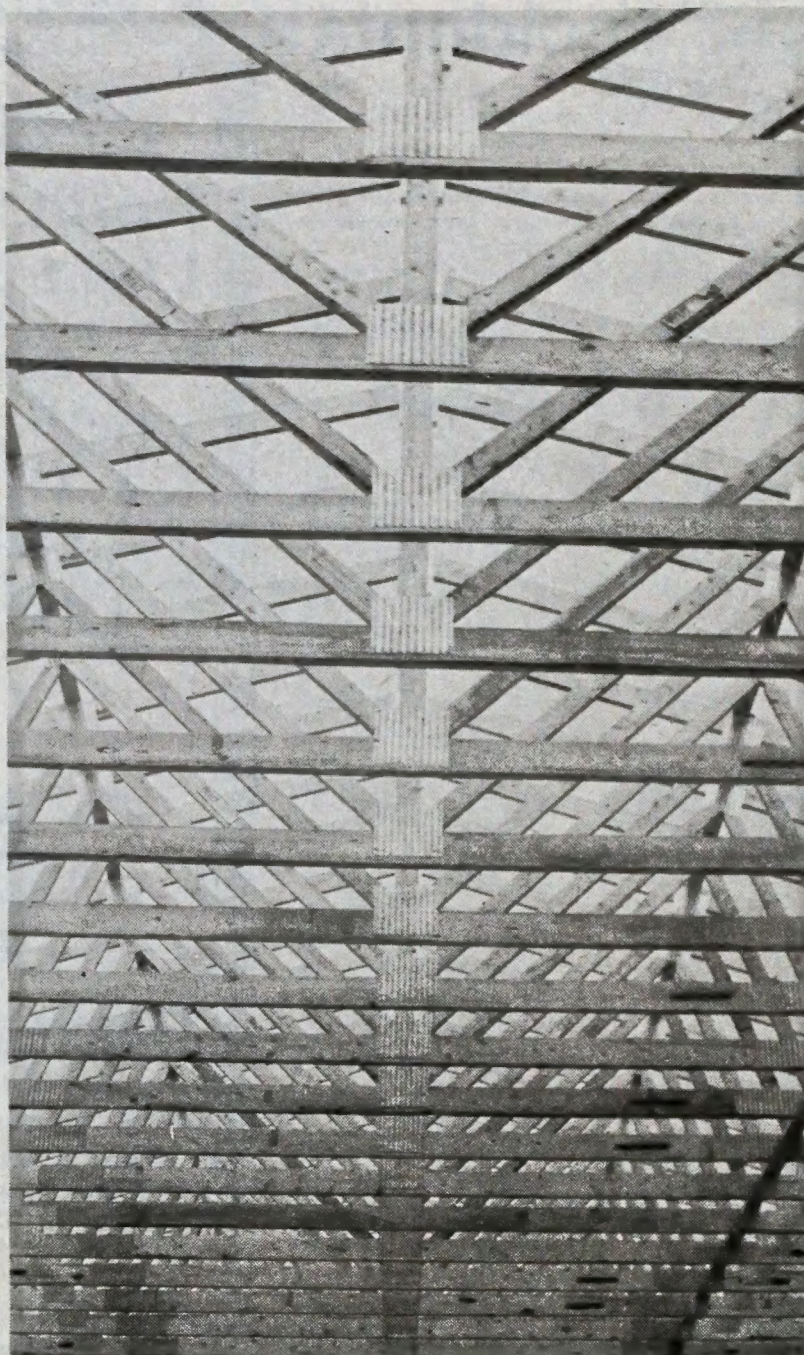

It is not unusual for this community to play host to a large number of individuals, however, the group that passed through here this past weekend presented a new and interesting challenge. Close to 2000 people, all riding motorcycles, descended on Minden on the annual Ride for Sight.

Through careful planning on the part of the local groups involved in the event, as well as citizens throughout the community, the visitors were fed, entertained, provided with camping facilities and welcomed with a warmth and sincerity which left the riders with a positive, lasting impression of Minden and the Highlands.

While the riders deserve praise for the \$135,000 they raised for the Retinitis Pigmentosa Foundation, the community as a whole, deserves a pat on the back for the way it rolled out the "red carpet" for our visitors.

The fact that many of the riders expressed an interest in coming back to Minden provides ample proof that the effort made in making the participants feel welcome here was not wasted.

Well done Minden.

Infinity.

letters letters letters

Editor:

It was an experience to drive through our town of Minden this past Saturday and observe the activity created by the special event of the Ride for Sight. I had mixed feelings, as no doubt

others shared, as I realized that an event involving such a cross-section of our society, riding for such a worthy cause, carries with it activities which are not so commendable.

As is our family practice

each Sunday we again went to town to attend the Minden Gospel Church. There is always something gained from this effort, but little did we know what was in store for us that day.

During the first hour there, our adult class studied from the Book of Esther. This revealed a young lady's example of risking her reputation and her life for the lives and well-being of her people. Just as the worship service was about to begin, what a thrill to see about 35 bikers file in and take their places to join us in the service.

These were members of the International Christian Bikers Association who were visiting our town for the Ride for Sight. They were representatives of the few thousand members.

As the service continued, we were challenged by our guest speaker who was a very successful businessman from Burlington. He had lost his eyesight seven years ago, and, following a series of traumatic experiences, is presently working with the

In dusk's gathering gloom, new actors join the play. High overhead, they jerk, swoop and dive, in an erratic salute to frantic confusion. "Beedz", they command, "beedz". Steadily, the house lights dim, as dusk grades into night. Here and there, townsglow casts eerie pillars of light skyward, ghostly illuminating the gyrating forms. It's a ritual that will continue far into the night, night after night, all summer long.

Nighthawks are, truly, among our most intriguing birds. For starters, they're not hawks at all. Along with the whip-poor-will and chuck-will's-widow, they belong to a group known as goatsuckers, a bizarre name that began with the superstition that these birds drank milk from goats, and that the goats subsequently went blind.

A huge mouth that doubtless gave rise to this superstition is, in fact, part of a series of fantastic adaptations shared by these highly beneficial insect-eaters. The mouth together with long, whisker-like feathers that surround it, form an efficient net for catching insects on the wing. The agility provided by the long narrow wings, and wide, forked tail enable these birds to change direction instantaneously; the jerky flight is an elaborate eat-the-dot game.

The nocturnal habit and huge, light-collecting eyes are two other adaptations that take advantage of the vastly more abundant insects of night. Nighthawks eat huge quantities of moths, beetles, flying ants and mosquitoes, and have been found with as many as 2,300 insects in their stomachs at one time. Considering that many of these insects are at a critical stage in their life cycles - each of those flying ants is about to start a whole colony - the impact in controlling pests is huge, indeed.

Years ago, nighthawks learned to take advantage of man's lighting. The glow over towns and cities acts like a giant version of the brightly lit window, drawing a veritable cloud of insects from the surrounding countryside. Seizing the opportunity provided by this "seeder" these nocturnal acrobats have been drawn into towns and cities to feed by night.

Nighthawks have just completed a migration so fantastic as to be almost beyond belief. The birds which we now see wheeling overhead spend the winter throughout South America - perhaps in Amazonian jungles, or Andean mountains, or as far south as Patagonia. And yet, they find their way back - the females to the same area and

What a ride - what a sight

Minden experienced an invasion Saturday as close to 2000 participants in the Southern Ontario Ride for Sight met at the fairgrounds. The weekend provided a number of lasting images for residents and participants alike. Seen here, counter clockwise, from the left: Motorcycles stretch down Minden's Main Street as the Toronto contingent arrives; registration at the Agnes Jamieson Gallery where donations to the Retinitis Pigmentosa Foundation were accepted; a jacket worn by a Michigan motorcyclist chronicles his travels; the shining reflection of a motorcyclist's dedication to his bike; the tent city which sprang up Saturday afternoon; the challenge of the bite the wiener competition.

Photos
by
Michael Shirley

from the chamber

After months of planning, the Ride for Sight took place in the village of Minden this past weekend.

According to organizers, it was a huge success. The fine folks of Minden showed tremendous hospitality with the Anglican Church serving 800 dinners and the Figure Skating Club a Pancake Breakfast. The Rotarians provided assistance in all aspects of the organization and the council of Anson, Hindon and Minden co-operated in a dozen ways.

The OPP were kept busy but felt it was not alot more work than a long weekend. There is no way to thank everyone who donated his or her time and energy to this project, but if you were involved (even if you only tolerated the noise Saturday night) you are appreciated.

The Chamber of Commerce was the recipient of a beautiful plaque for our support and we are indeed proud to have been part of the organization. The motorcycle clubs raised in the neighbourhood of \$150,000 for the RP Foundation and organizer Art Rea said there were no complaints from the riders. There were 1260 bikes and 690 riders in attendance. All in all, a success story.

Reach for the Top

A team of handsome, intelligent young men from J.D. Hodgson Senior Elementary School came home happy young men last week. They are the proud winners of CHEX TV's Reach for the Top. Congratulations are in order to Jeff Stamp, David Emmerson and Darin Parrish. Well done boys! Coach Roy Hore must feel very good about the hours he has spent getting you ready to compete.

New members

We welcome the following new members to the

Chamber: Hillcrest Haven, West Guilford; Gary Burtch Contracting; Clare Brown (Private member); J.A.C. Kernohan Construction Ltd.; Deborah Bates - Artist; Lawn John's - Terry Barnes; Bonnie View Inn, Haliburton; and Harry Hunting (Private member.)

Photos

As part of its 100th year celebrations, the Trent-Severn Waterway is looking for photographs - old and new. There is also a photo contest. If interested call this office for more information.

Introduction of Shirley L. Rapson, Manager.

Monday June 3, saw the beginning of a new era for the Haliburton Highlands Chamber of Commerce.

Shirley Rapson was at her desk making initial plans for the promotion of Haliburton County over the next few years. Being part of the Cooper Clan, Shirley is naturally quite interested in all things Scottish. One of her first projects is to rejuvenate interest in the Haliburton tartan (it is one of the very nicest available) and to see an attractive finish applied to our new Chamber building.

The key to the success of the Chamber is, of course, you. Whether you are a business person, a teacher, a nurse, a doctor, a farmer or a civil servant, we want you as a member.

Shirley brings with her a solid background in Chamber workings. Being an executive director with the Timmins Chamber for many years, Shirley saw the contribution an individual can make to the progress of an area if he becomes a working member.

We need the expertise of every member of our community to create quality to our lives. In small areas such as Haliburton County, everyone has to give a little -

we can't expect a few individuals to do all the community work. You have a lot to give. Think about the knowledge you have and prepare to share it.

Shirley will be visiting as many members as possible in the next few months. If you have any questions or suggestions, feel free to call or drop into the office for a visit.

Remember that this county was built by hard-working pioneers. The job is

Police report

(from page 3)

injuries when he drove his motorcycle on to a soft shoulder of the roadway and lost control of the vehicle. The motorcycle rolled over causing \$3000 damage.

The investigating officer was Constable Dave Rogers.

A rear end collision Sunday morning at the intersection of Prince and St. Germaine Street was the third mishap reported.

According to the police, a 1983 model Honda driven by Wilbert Bryan, 31, of Woodville, drove into the rear of a 1979 pick-up truck being driven by 29 year old Mark Walker of Minden.

The motorcycle sustained \$2000 damage while the truck will require \$1000 worth of repairs.

Bryan has been charged with failing to stop at an intersection.

The investigating officer was Constable David Rogers.

Gnawing solution

As pointed out in last week's police report, the authorities are seeking a solution to the problem of racoons and porcupines chewing on fluid cables on the underside of vehicles. In the past few weeks, police report that a number of brake lines have been damaged by the animals, creating a dangerous situation for drivers who are generally unaware of the lack of stopping power until the vehicle is in motion.

not finished yet. Join your Chamber.

Members of the HHSS Track and Field teams who competed at the All-Ontario Finals in Etobicoke last weekend, include, from the left, front row, Lesley Tashlin, Lindsey Tashlin, Jodie McKnight and Lori-Ann Duguay. Back row: Ron Perrin, coaches Bob Colliver, Paul Morissette, Johnston Bailey, and Bradley Archer.

Athletes compete in Ontario finals

The Haliburton Highlands Secondary School Track Team completed a very successful season this past weekend at the Ontario Championships in Etobi-

coke.

Six members of the team took part in the event which attracted 2000 athletes from secondary schools across the province. Although no

member won an event, each athlete placed in the top ten in their respective competitions.

The OFSSA results were Haliburton's best at the Ontario Championships.

Lesley Tashlin placed sixth in the 80 metre hurdles and tenth in the 400 metre hurdles.

Ron Perrin captured eighth place in the javelin competition.

Brad Archer placed ninth

in both the discus and shotput events.

The Junior Girls Relay Team of Lori-Ann Duguay, Jodie McKnight, Lesley and Lindsey Tashlin placed second in their heat with the ninth best time overall.

Outdoors

(from page 4)

often to the precise nesting location used year after year. Imagine finding your way 15,000 self-propelled km, twice each year, with no map, no compass or other aids, and returning with unerring accuracy.

Last century, those nesting sites were almost always gravel areas or burnt-over forests, where eggs were laid directly on the ground with no nest structure at all. The flat, gravel roofs which became popular in the late 1800's were quickly recognized by nighthawks as being impossible for most predators to reach. The result was a superb habitat -

in both food and nesting - and a shift of nighthawks into our cities.

Have a new look at a nighthawk this weekend.

(from page 4)

Christian Blind Mission, an organization which takes aid to third world countries.

The interesting part of these circumstances is that none of these 'happenings' had been pre-arranged - the date of the Ride, booking of the speaker, Esther's example, our visitors.

Following the service, folks were able to talk with our guests and have a closer look at the display of beautiful machines lined up on the front lawn of the church.

I say "Hats Off" to these people who have something and "Someone" worth riding for. I was reminded once again, things don't "just happen". How do you feel?

Meryl Hudson,
Minden.

Editor:

It was very heart-warming to witness the efforts of over eighty participants in Haliburton County's Walk for Water on Saturday, June 1. Despite the unsettled

weather, spirits were high as we set out for our 25 km walk.

On the day of the Walk, approximate pledges were recorded as being \$6,800. Organizers expect the total amount raised to be in excess of this and we are most pleased.

It is most rewarding to reach out to anyone who is in need, whether it be your next-door neighbour or a village needing pure water in a third world country. To quote a member of our committee, "Charity starts at home but it shouldn't stop there." People of this county can be proud of the H.A.V.E. Committee and their commitment to help the less fortunate.

A special "thank you" to the walkers, our "cheery-checkpointers" and to all the committee members who made my job enjoyable. As usual, I am feeling very blessed to be a part of this caring community.

Nada Vaughan, Chairman
Walk for Water 1985.

Editor:

Consider for a moment all the great organizations and service clubs that we, the townspeople of Minden are enriched by. We have for example, a new curling club, a community centre and hockey arena as fine as any in Ontario. Service Clubs such as Rotary and Kinsmen are also active in our town. Also, we enjoy an adequate and well-run library.

However, we have another public organization that has not already been mentioned. This one is supported by public funds and membership fees, an organization that belongs to you and me. It is the Agnes Jamieson Gallery, a centre our municipality helps support, so that we may enjoy the pleasure of seeing some of the works of Canada's better-known and local artists. We are open as a service to you. Come out to the Gallery and see what we have to offer, of interest, to all age groups.

Once you realize how

enjoyable and interesting it can be, we hope you may want to become a member and that with your \$10.00 membership you will help us grow and bring even better displays and shows to our area.

Ron Murdoch,
Agnes Jamieson Gallery.

Board appoints co-ordinator

The Haliburton County Board of Education has named Dale Robinson, principal of the Haliburton Highlands Secondary School as curriculum co-ordinator for the school system. Robinson will begin a three year term as the co-ordinator in September 1985.

In choosing a curriculum co-ordinator, the Board was acting on a recommendation of the Co-operative Evaluation and Development of School Systems (CEDSS) study conducted by the Board and the Ministry of Education in 1984.

Robinson said that he will be mainly concerned with co-ordinating curriculae in the Mathematics and English departments from Kindergarten to Grade 13, but his efforts "will expand to consider other subjects that are taught in both elementary and secondary schools."

Robinson said that in following up on the CEDSS report there will be special emphasis on skill levels "In cumulative subjects these skills are carried on from year to year." He added, "We want to reinforce and improve those skills."

His first task, he said, will be to "define the needs and problems of the present system."

Robinson explained, "A lot of new documents and programs have come from the Ministry of Education in the past three years and I expect more in the next three."

Following the revision

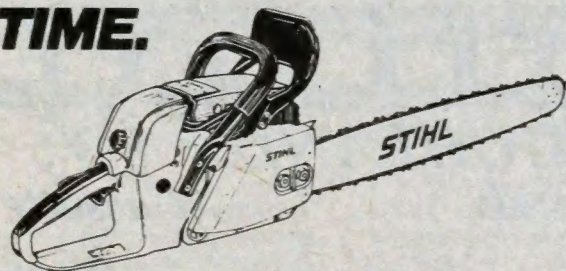

and reorganization of the curriculum, the modified curriculum will be implemented. Robinson said, adding that throughout the process he will ensure the changes conform to Ministry guidelines.

This review process will continue, he said, so that the curriculum can be changed when necessary. "One of my main jobs will be to draw together teams of teachers to

take part in the program. I will be there to give leadership and assistance."

Robinson added that he will be consulting the CEDSS report "To get a sampling of public opinion based on the questionnaires that were contained in the report," adding that the report also contained comments from students which he will take into consideration.

Students compete in track meet

Participation was the name of the game on Friday afternoon as the students of Archie Stouffer Elementary School in Minden took part in the annual track and field day.

Students competed in a variety of events including shotput, discus, high jump, running broad jump and sprints. Each student was allowed to participate in a maximum of five events.

First place finishers in each event were awarded 5 points. Second place finishers received 3 points, third place 2 points and fourth place finishers were awarded one point.

The athletes who accumulated the most points in each category were presented with a trophy and a gold medal.

Silver medals were awarded to the second place overall winners and bronze medals to the third place winners.

The top three competitors in each group and their

Hunter Obee clears the high jump bar as his fellow competitors look on during the track and field meet at Archie Stouffer Elementary School. The meet was held on Friday. Hunter placed second overall in the Junior Boys section.

point totals were:

Junior Girls: Abby Burk 25 points; Karen Cooper 15 points and Lisa Carr 12 points.

Junior Boys: Kent Taylor

23 points; Hunter Obee 15 points and Evan Miscio 10 points.

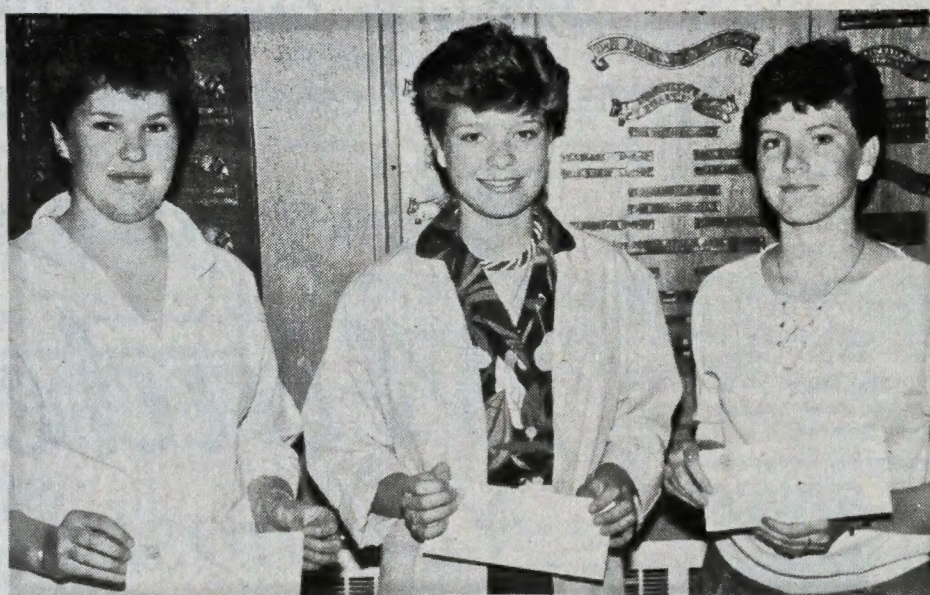

Senior Girls: Joanne Kerr 16 points; Cathy Beaver 15 points and Melissa Jones 13

points.

Senior Boys: Craig Smith 19 points; Shane Clark 17 points and Cory Michalik 13 points.

School donation

Haliburton Highlands Secondary School students Stephanie O'Brien, Emma Postelthwaite and Kelly Reynolds, hold cheques totalling \$2500 which will be presented to several charities. The three members of the charity fund committee will be donating the funds on behalf of the student body. The charitable donations raised by the students throughout the year include a \$1000 gift to the African Relief Fund, \$500 to aid victims of the recent tornado, \$1000 to the CatScan Fund and \$1000 to Steve Fonyo in aid of cancer research. The three members of the committee, shown on the right, were pleased with the generous response from the students.

Watch for the opening of the Hart Lodge Bakery.

Gooderham North Stars player Shannon Mintz rounds third base between Minden Juniors Nancy Dennys and Tammy Short. Shannon scored on the play as her team went on to defeat Minden 21-10 Monday evening in Minden.

Gooderham loses in sixth

Gooderham travelled to Minden on Monday, June 3 and played a very strong game until the sixth inning when Minden scored 8 runs and went on to win the game 16 to 8. Sue Pye hit a home run for Minden and Karen Dewey was on the mound for Gooderham.

The next night Wilberforce was up 12 runs before

the Minden Juniors dug in and came away the winners 25 to 23. Haliburton Seniors with Wendy Roberts pitching defeated Gooderham 10 to 5 the same night.

On Wednesday night Minden Dixie Lee Seniors travelled to Wilberforce and with Nelda Cully pitching 5 strike outs they came away the winners 17 to 8. Jo

Olszewski was on the mound for Wilberforce and also had a very good night at the plate.

Perhaps the tightest contest of the week was played Wednesday night in Haliburton where the two

Junior teams played a late game. Minden Juniors, with super pitching from Cheryl

Dillon were ahead 6 to 4 when Tracey Harrison hit a grand slam homer to the fence. The final score was 8 to 6 for the Haliburton Juniors.

Invitations will be going out soon for the tournament to be held in Minden on July 19, 20 and 21. Also, tickets for the annual draw will be distributed to all team members in the near future. There is a great line up of prizes on these tickets so they should be easy to sell.

League standings at the end of the week were:

Minden Seniors - 10;
Haliburton Juniors - 8;
Haliburton Seniors - 8;
Wilberforce - 2; Gooderham - 2; Minden Juniors 2. (Several teams have rained out games to make up).

Hustlers still unbeaten

The Minden Rockcliffe Hustlers raised their record to seven and zero as they won three games last week. On Wednesday night at home they completely dominated the Woodville Merchants, this was actually a forfeited game as the Hustlers had to lend a player to the Merchants. Greg Newell picked up his first win of the year on the mound for the locals. He also slammed a home run, a triple and two singles. Other big hitters for the Hustlers were Barry Hammond (home run - double - single), Collin Newell (4 singles) and Dave Hartwick (1 double - 2 singles). Final score, let's call it 9 - 0.

On Sunday night the Hustlers travelled to Lindsay for a big double header. At 6:30 they met Lindsay York Tavern. In the first inning the Hustlers scored one run but Lindsay bounced back with two runs in the last of the first. Minden tied the score in the second and went ahead 3 - 2 in the third inning. It was a very tight game for the next couple of innings but the Hustlers got untracked and scored 3 in the sixth and 2 in the seventh for a final 8 - 3 score.

Jack Snell picked up the win to raise his record to 5 - 0. Bob Hammond was big at the bat for the Hustlers with a double and 2 singles.

In the nightcap against Lindsay Kent Tavern it was Greg Newell on the mound for the Hustlers. Minden scored 3 runs in each of the second and third innings to take a commanding 6 - 0 lead. Greg pitched a solid game and Lindsay Kent picked up their only run in the fourth inning. The Hustlers added 1 more run in the seventh for a final score of 7 - 1. Collin Newell (2 singles), Barry Hammond (triple -

single) and Dave Dollo (2 singles) led the Hustlers to the win. Newell's record is now 2 - 0 on the season.

This week the Hustlers meet the Bobcaygeon Juniors at home on Wednesday at 8:00 p.m. This promises to be a good game as these Juniors are real speedsters on the bases and are a promising young team.

On Thursday night the Rockcliffe boys travel to Woodville for an 8:30 game.

Kickers shutout

The Dixie Lee Soccer team took their longest road trip of the season travelling to Parry Sound on Sunday. It is a trip that the team would probably rather forget since they went down to a 3-0 shutout at the hands of the host club.

The loss was the team's third defeat in a row after opening the season with two consecutive victories against two of the strongest teams in the league.

Parry Sound scored all three goals in the first half. The first two points came as a result of scrambles in front of the Haliburton net. The third and final goal of the game was the result of an excellent passing play by Parry Sound.

Haliburton scored once in the first half, but the goal was disallowed on an

offside. Haliburton regrouped in the second half, holding the host club scoreless, but were unable to beat the Parry Sound defence.

The Haliburton team will be practising at the Haliburton Highlands Secondary School soccer pitch on Thursday evening in preparation for a home game against Orillia at 2 p.m. on Sunday. This will be the first contest between the two clubs this season.

According to team spokesman Jim Milne, the soccer pitch that has been the site of the team's home games, will be undergoing repairs for a month. During that time the Dixie Lee team will be holding practices and home games at Archie Stouffer School soccer pitch in Minden.

Guild news

submitted

We invite you and your friends to join us in welcoming to the Gallery, Cassandra Wyszowski, painter of Japanese art on Saturday, June 15 at 7:30 p.m. Cassandra will be present on June 15 to talk about her inspirations, desires and accomplishments. We will also be showing an excellent film produced by National Geographic, entitled "Living Treasures of Japan". Through this film we will meet nine of Japan's living treasures, gifted artists, a potter, a doll maker, a weaver dyer, a papermaker, a kabuki theatre actor, a musician and a puppeteer. Refreshments will be served and admission is \$2.00.

Plans are underway for the summer exhibition and sale which runs from July 5 to July 20. We invite all friends and members to the

exhibition's opening on July 5 at 7:30 p.m. at the J.D. Hodgson Elementary School. Entertainment will be provided by our own Guild Choir so plan to attend.

This is also a good time to remind all exhibitors the entry dates for the exhibition are June 29 and 30 between 10 a.m. and 3:00 p.m. at the Elementary School. Don't forget your exhibition sheets and you can renew your membership at that time, if you have not already done so.

Our current show, "Living Arts Of Japan," continues until June 22. Visitors to the Gallery are also enjoying the wildlife prints of Marc Barrie in the Waitingroom Gallery, also showing until the 22nd. Our boutique, filled with locally-made crafts, is a great place for buying, offering a wide selection to fill all gift-giving needs.

Janet Elizabeth Mayo received a Bachelor of Physical Education degree at graduation ceremonies held May 30 at McMaster University in Hamilton. The daughter of Al and Jean Mayo of Minden, Janet is a graduate of Haliburton Highlands Secondary School. She will be attending Queen's University in Kingston in September to attend Teacher's College.

Brazilian impressions

Minden student Greg Pearson is spending a year in Brazil as part of the Rotary International Exchange program. Greg has agreed to share some of his experiences with our readers and the following letter was sent April 25.

April 21 started out to be a great day for Brazil. Rookie sensation Artton Senna drove his Formula One car through the pouring rain to a Brazilian victory in the Portugal Formula One race. Car racing is a popular sport in Brazil, with almost everyone following the exploits of veteran racer Nelson Piquet and now Artton Senna.

The 21st did not end on a happy note. At 10:23 p.m. in Sao Paulo's Hospital Das Clinicas the 39 day old medical saga of president-elect Tancredo Neves was over. It would have been impossible to be in Brazil and not become caught up in the president's struggle for survival. For nearly a month and a half, all of Brazil has been focussed on the president's sickbed. Everyday life has been constantly interrupted by "Special News Bulletins" dealing with president Neves' health as he underwent a total of seven major operations before his death.

It was quite an experience to witness and to an extent, be a part of the metamorphosis which occurred in the Brazilian thoughts and feelings. In just one day, the 21st of April, the nation's outlook changed drastically from a sense of celebration and national pride to a sense of mourning and an outlook of despair.

On April 22, the people of

Brazil started a week of mourning. Every television channel had coverage of the president's body making its way, aboard a firetruck, to the airport where the body would make its last trip to Brasilia, the capital. The television coverage showed the millions of people who converged on the streets to follow the president's body to the airport.

The cheers of victory and hope on the campaign trail to the weeps of despair and frustration which surrounded the deathbed, illustrate what Tancredo Neves meant to these troubled people in this troubled land.

It was very obvious that all the political parties wanted a reform to democracy and Tancredo Neves was to be instrumental in this democratic reform. Under 75 year old Neves, a time of change was to come, a new outlook, one of hope, which replaced

hopelessness. With a new government which would replace 21 years of military rule, a new republic would evolve, leading Brazil out of poverty and despair.

For the future, 55 year old Jose Sarney now steps into control taking over for the deceased Tancredo Neves. The basic public opinion of the new president is one of uncertainty, but in talking with the people, it has become evident to me that he is not a Tancredo Neves.

Only time will tell what lies enroute for Brazil and its uphill struggle toward democracy.

To observe the political actions which have taken place over the last five months, I have learned a great deal about Brazil, its problems and its people. To stand beside the weeping people, waving their flags and singing their anthem, I saw and felt, that regardless of the problems this country and its people have, they are proud and, I feel, shall endure. April 21st was truly a sad day for Brazil.

Greg Pearson.

Did you know?

by Bambi Gilder

Did you know ... that your County Information Centre offers information on the 1985 Agricultural Fairs and Exhibitions in Ontario?

Discover the excitement of these attractions by first looking over this booklet which lists the fair dates, their locations, and the highlights of each. Included in this booklet there is a map of Ontario's twelve travel

regions, information on the quilt competition, the International plowing match, lists of the Ontario Assoc. of Agricultural Societies and Flower Shows. If you would like a copy of this publication, drop-in to our Centre or give us a call at 457-2733.

As many of you know, the annual Home and Vacation Show will be held on June 14, 15 and 16 at the Dysart

Community Centre and your County Information Centre will be there. We will have a variety of pamphlets and brochures available along with our extensive resource files to assist people with inquiries.

Please keep in mind that we are here to help people of all ages by answering your

questions regarding social, health, governmental and environmental subjects. Our office is located in the Drag River Municipal Building (across from Emmerson Lumber) in Haliburton and we are open from 10:00 a.m. to 4:00 p.m., weekdays.

See you at the Home Show!

Water levels report

A rain of 12 to 17 mm on Friday, May 31 to Saturday, June 1 seemed to have most effect south and east of the Gull River watershed whose lakes continued to decline. On Monday, June 3, the stored water in Haliburton area lakes averaged 97.1%, down 1.3% from the week before.

Flows from the tributaries to the Kawarthas were generally reduced on Tuesday, June 4, due to a surplus left by the rain along the canal route. By Thursday, June 6, a surplus had been discharged from Scugog Lake to the canal route and the stoplogs were all restored to the dam in Lindsay to hold that lake.

Only small amounts of rain are expected over this weekend, (June 8, 9) so flow reduction on the Otonabee River to near minimum will be required probably early next week. Stored water

BIA chairman Stuart Brandon plants a pailful of rainbow trout in the Gull River. The local business association, with financial assistance from the municipality has continued its stocking program aimed at making the river a popular fishing spot. This year some 1250 trout ranging in size from 6 to 12 inches were placed in the river.

C.H.A.C.E. Place news

submitted

On June 29, at 11:30 a.m., CHACE will be presenting our first annual Time and Talent Auction.

This is a unique and fun-filled event whereby individuals, families or groups pledge a specified amount of time and/or a particular talent to provide an item or service to be auctioned off.

You'll have an opportunity to bid on a handknitted sweater, your choice of size and colour, a lasagna dinner for 6 delivered to your home upon request, an afternoon of windsurfing lessons followed by a barbecue on one of Haliburton's prettiest

lakes, and many more.

Reserve bids will be taken in advance if you are unable to attend the auction on June 29. Proceeds this year will go to the Canadian Red Cross on behalf of African Famine Relief. Bring the whole family for a memorable day at CHACE Place.

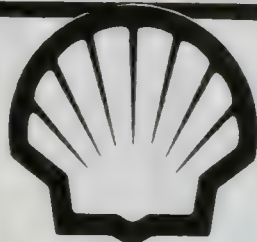

We would like to remind you again that registrations are being accepted for our Summer Day Nursery for children ages three to five years. The program will operate from July 1 until August 16 at the J. Douglas Hodgson Senior Elementary School in Haliburton. The fees are \$10 per full day, \$5 per half day and \$45 per

full week.

For further information and registration forms, please call CHACE Place at 457-2989.

Home and School sponsors Fun Day

The Archie Stouffer Home and School Association recently held a fun day at the school to help raise funds for playground equipment. The event included a visit by a Stevie Wonder lookalike (Nancy Garbutt), left. Youngsters had an opportunity to try their luck at a number of games and contests, including a fish pond, below, where they waited in anticipation for a tug on the line and a special prize.

Branch 129 news

Congratulations to T. Petrella of Parson's Road, Haliburton. Mr. Petrella is the winner of a 12 ft aluminum boat. The boat was donated to Branch 129 by Mr. Valetta and family, the owners of Haliburton Marine 1984.

Kenneth Traill drew the winning ticket. The Legion expresses sincere thanks to Mr. Valetta.

Elections

In May Branch 129 held its annual election. The election was supervised by Comrade Zone Commander Mel Robertson. Following are the results of the election:

President: Joan Irish. 1st Vice: Doug Pritchard; 2nd Vice: Helen Johnson; 3rd Vice: Jack McDonagh; Secretary: Mabel Brannigan; Sgt. at Arms: Jim Hobson; Executive: Wally Chambers, Al Cooper, Mike Hawman, Gerald Irish, Fred Knight and Carl Shipley.

On the same evening Lloyd Whittaker was appointed as service officer.

Comrade Zone Commander Robertson installed all elected members who were present into their offices.

In her acceptance speech the newly-elected president pledged to do her very best for the Legion and urged a renewed spirit of comradeship and co-operation.

Greetings

The Royal Canadian Legion has been favoured with a message of greetings and good wishes from our Grand Patron, Governor General of Canada, Her Excellency Madame Jeanne Sauve. Mme Sauve's message is reprinted below.

It is with great pride and pleasure that I extend to all members of the Royal Canadian Legion my warmest greetings and good wishes on the occasion of your Diamond Jubilee.

As we celebrate the many accomplishments of the past 60 years, it is both inspiring and rewarding to note that the spirit of fraternity, co-operation and service which existed among soldiers during times of war has endured and evolved during

times of peace. That this spirit is being carried on by the Sons and Daughters of the Legion through their continued commitment to the service of their community is fitting testimony to the strength and influence of these convictions.

On this historic occasion, let us pause a moment to reflect on the noble ideals for which so many died. The Legion may take pride in knowing that they have kept faith with the memory of that sacrifice and will continue to hold high the torch of freedom, justice and honour through the loyalty and service of their Sons and Daughters.

Jeanne Sauve
Governor General of Canada.

Branch 129 survives tests of fire

The Haliburton Branch of the Royal Canadian Legion was organized in 1927, receiving its Charter August 21 in 1928. Leadership was provided in those early years by such men as A. G. Schofield, Dr. Frain, and Edgar Bentham. However, the Branch ran into difficult times, for it is recorded that on September 14th, 1932, it was regularly moved and seconded, by Comrades Adams and Shiers "That this Branch disband and surrender its Charter to Command." The remaining funds of the Branch were turned over to a newly formed "Haliburton Soldiers Club", which functioned for the next few years, and petered out September 7th, 1937.

Comrade Schofield, who was Secretary in 1932, did not return the Charter as instructed, but instead, tucked it away where it was forgotten.

George Brennan came to Haliburton in May of 1938, and he, being a Charter Member of the Legion, got in touch with Mr. Schofield. Together they made a tentative study to find out if a new Branch could be formed. Nothing was achieved, however. Next year World War II came on.

In 1944, with new Veterans returning from the war, Comrade Schofield dug up the long forgotten Charter and plans were set in motion to re-organize. There were only a few of them, and no immediate funds, but they dug in and by 1945 had purchased Haliburton's first Legion Hall, were free from debt, and had funds in the bank.

In that year, 1945, they took care of welfare, pensions, rehabilitation, re-establishment credit, and other chores. And also in that year, organized the Ladies' Auxiliary.

The Legion was destined to be plagued by fire. In 1952 their Hall was destroyed, but they quickly secured a new location and put up a fine new building. Enthusiasm was great, public relations at their highest, and the Haliburton Legion became known far and wide for its achievements. So well did they prosper that the mortgage was burned on November 21st, 1960.

Then, in the early morning hours of April 6th, 1963, the magnificent building of which all were so proud, also was destroyed by fire. Lost were the Charters, two thousands dollars worth of band instruments and music, many mementos, and a fine collection of war souvenirs. The loss being only partly covered by insurance, the members rolled up their sleeves for the terrific task of once more putting their house in order.

This was soon accomplished. One year later the building you are now in was officially opened and dedicated as the new home of Branch 129. The indebtedness was tremendous - a mortgage of \$41,000 stood over our heads, along with \$1,900 in shares, but again the membership pitched in. A weekly bingo game was operated faithfully, some-

1983 Legion President Sylvia Sisson, left, leads as the mortgage for the group's building is set aflame. Participating in the April 30, 1983 ceremony, were, from the left, Cliff Dawson, Wes Baker, Don Johnston and Jane Johnston.

times the take so small that we wondered if it was worth it, but occasionally a series would come up with a thousand or more in profit and the mortgage payments were made. An annual car draw in conjunction with the Carnival, brought in each year a sizable sum. There were other draws and special functions, primarily organized to raise money, but all provided fun and entertainment. It was hard work, as any entertainment chairman or car draw committee will attest, but looking back, who can say that it was not all well worth while.

During all this time our Ladies Auxiliary were with us all the way. They catered to weddings, banquets, helped out with carnivals, both winter

and summer, and whenever they got a few dollars ahead they turned over their money to the Legion to make that extra mortgage payment. And make them we did. The mortgage was expected to be renegotiated after ten years is fully paid off in little more than nine.

On November 30th, 1970 under the leadership of Don Johnston and Earl Cooper, the branch went about the task of forming a pipe band. The band went on its first parade on April 30th, 1972 and since that time has performed all over our district and beyond. It has proven to be the best public relations this branch has ever had.

October 1970 saw the biggest Drumhead Service ever held in District "F", (District

"F" is comprised of 54 branches) This achievement was repeated again in September 1982. In 1973, a Sherman tank and a CF 100 aircraft were purchased from the Department of National Defence. The tank is on a plot next to the Legion building and the CF100 is on a pedestal at the entrance to Haliburton near the high school.

For the past thirty years Branch 129 has been giving scholarships and bursaries to students of Haliburton Highlands Secondary School and is the largest single contributor to this worthy cause.

Over the years this branch has given away untold thousands of dollars to minor sports such as hockey, ball, figure skating, etc. Another special pro-

ject has been the sponsoring of Cubs and Scouts for the past thirty years.

Since its inception the Branch's main service has been to help needy veterans and their dependents. Most of this is done through the poppy fund - without fanfare or publicity.

In 1978 with a build-up of funds the Legion building was added to and was made twice as large as before. It now contains a larger auditorium, a new kitchen upstairs and a new games room downstairs. To complete this renovation a mortgage

was held in the amount of \$91,000. This mortgage was paid and the mortgage burning ceremony was held April 30th, 1983.

In June 1980 Sylvia Sisson was elected the first woman president of the Branch. Sunday, November 14th, 1982 a county memorial cairn was dedicated in Minden. This cairn was erected by Branch 129 in memory of all the county youth who gave their lives for their country in two world wars.

The Branch is one of the focal points in the community. It is used for weddings, banquets, and events of many kinds which affect the lives of numerous citizens of our community, for instance Haliburton County Local Courts, driver tests, Department of Veterans Affairs, senior citizens events and election polling booths. So in some way we have an effect on most of the people in our community.

What excitement this past weekend as the motorcyclists in the Annual Ride for Sight came to town. Many residents were on hand to welcome the groups and took the chance to go up to the fairgrounds to see the marvellous machines close up. It was great to see so many visitors to our community, especially for such a good cause, and we certainly hope they enjoyed their stay and will come back again.

We are very happy to report that Mrs. Pat Lichty is home again after undergoing surgery at Peterborough Civic hospital. Hope you'll soon be back to your cheerful self soon Pat.

Club 35 card party winners Monday were - Most lone hands, Walter Ackerblade; high lady - Verna Sawyer, high man - Ken Camp bell. The door prize went to Art Verbaan while other prizes went to Hazel Gregory, Hal Burton, Don Smith and Alex Stevenson.

Muriel Ewing and friend and Sandra and Logan Moth of Toronto visited recently with Jeanne and Milt Sears. Sandra and Logan are spending this week in Minden.

Residents at South Lake Trailer Park held a Progressive Euchre party on Saturday evening. Those playing included Martha and Ernie Nicholson, Ethel Walter, Gwen Donald, Shirley Smith, Edith D'Angelis, Joyce and Dave Thompson (second), Carolyn Leaman (first), Gladys Osborne, Jean Murtz (Jim D'Angelis completed her games) and Yvonne Box. This was just one of the many activities at the trailer park.

Visiting with Mrs. Ern Hewitt last week were Edith Kidds of Neepawa, Manitoba and Nellie Finaldy of Lindsay.

The Thursday afternoon Museum card party winners were - Most Lone Hands Flo Dollo, other winners - Irene Houghton (on a cut), Betty Harper, Sid Rowe and Joe Dollo.

The following report on the Minden Women's Institute outing last week was submitted by Yvonne Guida.

Last Wednesday morning, a group of ladies (forty to be exact) sponsored by the Minden Women's Institute, set out for a day's outing including a shopping trip in Kitchener and followed by a visit to the African Lion Safari in Rockton. The day began with the weather looking quite drab and threatening

to rain, but nothing dampened the spirits of my companions aboard the bus driven by our genial navigator Earl. As we drove along laughing and chatting among ourselves, we suddenly came upon the devastation and horror that had befallen Barrie. The destruction was overwhelming. In one area, everything had been reduced to rubble with here and there a tree or manufacturing company still standing and not touched. It cast a sobering pall over all of us.

Finally we were in Kitchener and in the heart of the city, our driver gave us two hours to shop and eat our lunch. Everyone headed for the Farmers' Market and surrounding shops. My companion and I decided to lunch at the Valhalla Inn and enjoyed a delicious repast, then it was back to the bus. Our next stop was the African Lion Safari. We were treated to a tour of all the animals in their natural habitat (my favourites being the big cats) then came a family of baboons, whose male, after sniffing the popcorn on the bus, decided to come along for the ride and with a smaller one seated on the right and the big male on the left, we had a couple of hitchhikers riding

with us. Then a huge giraffe delicately minced toward us in the middle of the road. He was beautiful with the gentlest, huge brown eyes. He stuck his head in the open window and with his huge tongue, nibbled the popcorn with relish. After the tour, we were treated to a show of birds of prey which was fascinating, a wonderful show Bengal tigers, an amusing Parrot Paradise show and a great African elephant show featuring Sophi put through her paces by a very personable and talented young man named Michael who also performed with the tigers. Among other attractions, there is a train and a boat ride and places for refreshments. We boarded the bus for the trip home and again in Barrie we saw more of the destruction caused by the killer storm. We had dinner in Barrie and then wended our way home arriving about 10 p.m. It had been a lovely trip and the sun had come out so we were all happy to have taken the trip.

The following joke came through the courtesy of our old friend Cliff Lacey.

After successfully delivering the first child of a Canadian couple visiting Scotland, the doctor popped into the waiting room to tell the anxious husband the good news. "It's a boy-eight pounds exactly!"

"Oh," replied the flustered father, "Will you take a cheque?"

senior league

by Bert Harrison

Dear readers, this being the first day of June, I thought I would start my letter to you and try to keep in tune. We didn't have any sing song Friday afternoon, Doris showed us a very interesting 2 hour movie instead. The life of Jeremiah Johnson, how he fought against the Indians, and nearly lost his head.

We welcome Pearl Lyle back from hospital where she was taken with a sudden spell. It's nice to have her back again, looking quite well.

Friday morning Fern Donnelly did appear. She comes and helps with fun and fitness when Linda isn't here.

A tribute to a grand lady we would like to convey - to Mrs. Emma Stutt who is celebrating her eighty-seventh birthday. She is a gracious lady. How do I know? My wife and I lived in the same house with Mrs. Stutt for twelve years, some years ago. Now she is celebrating her birthday, here at Hyland Crest. I feel honoured to be invited as a guest. She has a lovely daughter, Ruth, for which she is justly proud, two granddaughters and two great grandsons. Congratulations and best wishes, we would like to say. And may God's blessing be with you each and every day.

Our son Nelson and his wife, Marie, daughter Jill and boyfriend from London, Ontario made a brief call on me this last day of May.

Not much activity on the weekend here at Hyland Crest. Too many weddings taking place, I guess.

A very interesting service in the Chapel Sunday night. We're sorry Rev. Burgess in having trouble with his back. But he came anyway, just wouldn't let us down, and this he had to say: To which cause we fear not, our outer bodies may perish, but our inward bodies are renewed day by day.

Lily Hogg had some visitors on Sunday, she is lonely since her roommate is in hospital for a few days.

Monday morning, down at fun and fitness, Lily Hogg won the game, for us to witness.

Tuesday morning Rev. John Phillips of Haliburton Anglican Church, conducted a Communion service, in the chapel this lovely June day. Along with his assistant Julie Kennedy, who is getting married at the end of August, to a prison Chaplain, by the way. Very best wishes Julie, and may God's blessing be with you, all the way through. This is from us here at Hyland Crest, we wish for you.

kid's korner

by Jean Lacey

Hi Kids!

Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list. Find them by reading up, down, forward, backward and diagonally. They are all in a straight line and do not skip letters. Some have hidden words or sayings, some do not. Circle the words in the diagram and cross it off in the list.

It's as easy as that. Have fun.

Tuesday night, after getting married, just back from a two week honeymoon, Daryl Crowe came back to us, to sing and play some tunes, but said, "I must work, I have a wife to support, you remember, I may not be back until sometime in September."

Wednesday morning Doris said, "This is Senior Citizen's week, we will take all who will enjoy themselves and be content, we will take you in the Hyland Bus, and it won't cost you a cent." Harry and Jean Cowan came along, with Jean's mother Mrs. Gilbank, they donated a large box of fruit, which we all gave them thanks. Helen Donaldson came to help out, Beryl Congdon came along. She thought it was going to rain. They were a good help, and we're glad they came. Now to end a perfect day, we came home to Hyland Crest the Haliburton way. And as we write this letter, we have Edna Cowan back from the hospital, feeling much better.

The Minden Lawn Bowlers came to us this sixth day of June, with lovely bowls of food, which tasted real good. We would have liked to thank them, with music and song, but we had our Resident's Council meeting, and to miss it would be wrong.

We would like to thank Andy Poldas, who came to call the Bingo numbers Thursday night. Some players didn't win a cent, others did alright.

Q: What is an adult?
A: Someone that's stopped growing except in the middle.

Q: What part of an automobile kills the most people?

A: The nut that holds the steering wheel.

NOTICE

(FILE 5-85)

IN THE MATTER OF the Municipal Act; and IN THE MATTER OF a proposed By-law of the Corporation of the Townships of Anson, Hindon and Minden to stop up, close and convey to the adjoining landowners parts of the 66 foot road allowance between Lots 2 and 3, East and West of Milne Street, Registered Plan 1, Village of Minden.

NOTICE IS HEREBY GIVEN pursuant to Section 301(1) of the Municipal Act R.S.O. 1980, as amended, that the Council of the Corporation of the Townships of Anson, Hindon and Minden at its regular meeting to be held in the Municipal Council Chambers, Milne Street, Minden on July 11th, 1985, proposes to consider and, if deemed advisable to pass a By-law to stop up, close and convey the above-noted portion of road allowance more particularly described as follows: -

Part of the road allowance between Lots 2 and 3, East and West of Milne Street, Registered Plan 1, Village of Minden, designated as Parts 1 and 2 on Plan 19R-3262.

AND FURTHER TAKE NOTICE that before passing said By-law at the meeting to be held at the time and place mentioned, the Council shall then and there hear in person or by his Counsel, Solicitor or Agent any person who claims that his or her land will be prejudicially affected by the said By-law and who applies to be heard.

DATED at MINDEN this 30th day of May, 1985.

(Ms.) Beverley Anne Millar,
Clerk-Treasurer,
Townships of Anson, Hindon and Minden,
Box 98,
Minden, Ontario
KOM 2K0
705-286-1260

The plan of survey referred to herein is available for perusal at the Municipal Offices during normal office hours.

Conference on seniors planned

by Donna Bailey

We extend our sympathy to the family of Mary Robertson who recently passed away. As many of you know, Mary was our Transportation Convenor for Haliburton and area. She will be sadly missed.

The First Ontario Conference on Home Support Services for Seniors and Disabled Persons was held at Ryerson on May 29 to 31. Victoria Agnew, our President, Darlene McElwain, our Home Help Convenor for Haliburton, Ruby Francis, our Director from Gelert and myself attended as representatives from Haliburton County Home Support Services.

In total, 267 from all over Ontario attended the three day conference entitled "Voices for Choices". Several concepts seemed to reoccur throughout the conferences. One was that there is a shifting in the demographics in Ontario. The senior population now represents approximately 10% of our population; by

2020 the seniors will represent approximately 20%; by 2031 the seniors will represent approximately 27%!

Another concept was that there is a definite trend to people staying in their homes and a trend away from institutional living. As Art Daniels, Assistant Deputy Minister, Ministry of Community and Social Services, one of our speakers stated: "There's no place like home".

In relationship to home support services as stated by Joan Watson our keynote speaker it means that more people will be requiring our services in the years to come. (We at Haliburton Home Support are already being affected by this as the requests for our services has increased steadily during our five years of existence).

"Thank you" to Julie Sigauin, Nathalie Defour, Bev Carlson, and Arlene King from Katimavik for donating their time and energy to us by doing some maintenance work here at Home Support. You did a very good job!

COTTAGES

A REAL VALUE: Modern 3 BR bungalow style on perimeter wall, 100' frontage on Gull River with access to Gull Lake, 200 amp service, 6" perimeter wall, cozy airtight stove on hearth, patio doors to sunroom, spacious bright bedrooms with full closets, full bathroom with vanity, most furnishings and it's only \$38,900.00.

IT'S ON LOVELY KASHAGAWIGAMOG LAKE: In the cozy hamlet of Ingoldsby. Yes, it has a road running in front but if you are contemplating future retirement, this is the place! A recently added-on, 2 BR cottage catches the westerly sunsets, some interior finishing needed, lovely pine wooded, 100' lot with excellent shoreline across the road. A rare opportunity to settle in Ingoldsby for only \$39,500.00.

DO YOUR OWN THING: With this new cottage shell on perimeter block wall, 3 BR, patio doors open onto front deck overlooking Minden Lake. Deep 105' frontage, cleared lot, septic in, good terms. \$39,500.00.

HOMES

IT'S CHEAPER THAN RENTING: Your rental payments will pay for this renovated, 1 1/2 storey home on a large 85' lot. Some finishing needed upstairs, large spacious kitchen and eating area, new septic, 2 wells of spring water, full 4 pc. bathroom, located on Hwy. 35 north, just out of town. Priced to sell, owners moved. \$25,500.00.

LAKESHORE LOTS

12 MILE LAKE: 151' frontage, flat, lightly wooded. \$22,500.00.

REDSTONE LAKE: 168' frontage, safe sand beach, wooded. \$16,900.00.

REDSTONE LAKE: 250' frontage, good shoreline, very private. \$17,500.00.

MINDEN LAKE: 239' frontage, 8 acres, excellent wood, year round. \$12,500.00.

Ask for our Brochure on Acreages

THINKING OF BUILDING?? We've got fully-serviced lots with frontages of 75' or more. All within easy walking distance of shopping. Low downpayment and excellent terms. From \$8,900.00.

Attention Deer Hunters - I have a young, untried female Walker hound which is free to anyone who can provide an insulated dog house, good food, lots of hunting and some off-season exercise. This dog has a real nice bugle voice, good health and a good disposition. You just have time to get this dog trained and tuned for the 1985 hunt. I am giving her up because my wife says I don't have room for any more dogs. Call 286-1071. 6B

BIRTHS

RENNIE: Andrea and John are pleased to announce the birth of their son MICHAEL DAVID in Beaverton June 7, 1985 weighing in at 8 lbs., 15 oz. A brother for Jack. 6B

CARD OF THANKS

Sharon and Jim Walker and family thank everyone who assisted in any way at the time of the loss of their home due to fire. Special thanks to Minden Red Cross, Minden Kinsmen Club and the Women's Sewing Circle for the lovely quilt. 6B

Thank you to HCSA for the lovely planters welcoming us to Minden to our new home.

Norm and Wilma

Thanks to all of Sandy's good friends and relatives for the beautiful floral tributes and the donations to the Canadian Cancer Society in her name. Also I thank all my friends and relatives for their tremendous support during this difficult period.

Mike Kitcheman

AT REST

LANGDON

Harold (Harry)

- suddenly in Haliburton on Tuesday, June 4, 1985 in his 77th year, beloved husband of Grace Langdon, dear father of Ken of Haliburton and Gerry of Newmarket, and dear father-in-law of Marian and Sharon. Loving grandfather of Raymond, Carolyn and Elizabeth of Haliburton, and Deborah, LeeAnne, and Derek of Newmarket, dear brother of Jean Phillips and Hazel Powell, both of Stratford, beloved brother-in-law of Ruby Murdoch of Haliburton. Resting at the Gordon A. Monk Funeral Home, Minden, from 2:00 p.m. Thursday, for funeral service in the chapel on Friday, June 7th at 1:30 p.m. Interment at Evergreen Cemetery, Haliburton. AT REST

**MAC MILLAN
Alice Leona**

- suddenly in Soldiers Memorial Hospital, Orillia on Friday, April 12, 1985 in her 76th year, beloved wife of the late Duncan Hugh MacMillan, dear mother of Helen (Mrs. John Burbidge, Coldwater, loving grandmother of Robert, Carol and Scott of Coldwater, dear sister of Olive (Mrs. Archie) Jewell, Kirkfield, Elva (Mrs. Ken) Richmond, of Lindsay, Hazel VanValkenburg, of Bobcaygeon, Harold and Eldon Deacon of Minden. Daughter of the late Robert and Lily Deacon. Rested at the Mackey Funeral Home, Lindsay, Ontario until 2:00 p.m. Tuesday, April 16, 1985. Interment at Argyle Cemetery.

OSTER

Mary Elizabeth

- peacefully at Our Lady of Mercy Hospital, on June 6, 1985, just prior to her 102nd birthday. Mary E. Oster (nee Lee). Predeceased by her husband Andrew J. Oster (1942). Dear mother of Mary L. Fletcher (Long Island, N.Y.), Frank P. and Lee E. Oster (Toronto) and the late Andrew M. Oster (1966). Mother was the eldest of 6 girls and 2 boys. The only survivor being Sister Mary of St. Theresa Avila (Lucy), Good Shepherd Convent. All during her life, mother brought great joy to her 4 children, 9 grandchildren, 15 great grandchildren and many nieces and nephews. Resting at the Turner & Porter Funeral Home, 436 Roncesvalles Ave. Visiting Sunday, June 9 from 3 - 6 p.m. and 7 - 9 p.m. Rosary Prayers 5 p.m. Sunday. Funeral Mass will be celebrated Monday, June 10 at St. Helen's R.C. Church, 1680 Dundas St. W. at 10 o'clock in the morning. Interment Mount Hope Cemetery. In lieu of flowers, family suggests contributions may be made to St. Joseph's Building Fund. We will all miss you mother dear. R.I.P.
